

## Freefoam and the environment

Freefoam is committed to the prevention of pollution and to continual improvement in environmental management and performance. To reinforce our commitment we have achieved ISO 14001:2004 Environmental Management System certification in Group and implement this on an ongoing basis.

### Freefoam and Recycling

- Freefoam currently recycle 85% of post production waste and are targeted to increase this to 98%.
- Freefoam keep scrap rates below 10% with highly efficient production processes.
- Freefoam products are 100% lead free; we mean complete product, not just the skin.

#### Note:

All specifications, dimensions, descriptions and illustrations contained in any Freefoam sales literature, quotation, or pricelist or other advertisement matter are intended merely to present a general idea of the goods that we sell. We reserve the right from time to time to make changes which are required to comply with any applicable safety or statutory requirements or which do not materially affect the quality or fitness for purpose of the goods you purchase from us.

## Industry leading guarantees

Freefoam has made a life-long company commitment to make and guarantee long life products through refining technical and manufacturing resources and the cumulative experience of product performance over many years.

### 50 Year Lifetime Extended Guarantee

Freefoam offers an extended 50 year Lifetime transferable guarantee on all white profiles in addition to the standard 20 year guarantee. The extended guarantee is available on roofline, cladding and rainwater installation projects, where only the Freefoam brand is used and fitted, and registered online by a Freefoam Registered Installer.

### 20 Year Standard Guarantee

All white Freefoam products are automatically covered by its standard 20 year guarantee. Products are guaranteed not to warp, crack, discolour or blister and provide resistance to air pollution. This level of protection can simply be extended to the industry leading Lifetime Guarantee.

## 10 Year Guarantee

### Colour

The Freefoam colour range of fascia, soffit, cladding and rainwater products is eligible for a 10 Year Guarantee unique in the roofline industry. Backed by Freefoam's own innovative Colormax®.

### Woodgrain

The Freefoam woodgrain range of fascia, soffit and cladding is eligible for a 10 Year Guarantee. Manufactured with market leading Renolit EXOFOL MX foil with Solar Shield technology (SST) which offers built-in sun reflection that reduces heat absorption, thus minimising profile temperature and expansion.

### Fully transferable

The Freefoam guarantee doesn't end when a property changes hands. It can be transferred to the new owners and subsequent owners so they can continue to enjoy the same peace of mind. Some guarantees only cover domestic properties, but the Freefoam guarantee can also be used by landlords and specifiers from Local Authorities, Housing Associations and commercial projects.

● Some colour products are subject to a lead time. Ask your stockist for details  
Hollow Soffit is not guaranteed for use on external cladding applications

## Finishing accessories and fixings

A range of products to ensure a professional neat finish.

### Decorative Moulding

Create a stylish appearance with a range that includes finials, ogee décor mould, plain décor moulds and scalloped decorative fascia in both convex and concave.

### Flat Fascia Board

Suitable for many applications where soffit boards are not required including open eaves installations and flat roof extensions.

### Plastops

Freefoam's own range of colour matched plastic-headed pins produced from A4 marine grade stainless steel to eliminate the risk of rust and discolouration. Available in a variety of sizes and colours to match our fascia, soffit and cladding systems.

See page 16 for more information.

★ Products available in the following colours to complement Woodgrain Range, Black, Leather Brown and Caramel

**FORTEX**<sup>®</sup>  
Innovative Cladding Systems

## Cladding

A range of exterior cladding products to provide not only a decorative but also a protective facing to any new build or renovation project.

- Standard Open V and Shiplap styles in white and woodgrain finishes
- Fortex® embossed cladding in Double Shiplap and Weatherboard styles
- Fortex Render Finish cladding

### Durable

- Standard white cladding products are eligible for a standard 20 year guarantee that can be extended to an impressive 50 year guarantee when registered online.
- Woodgrain cladding is guaranteed for 10 years.
- Fortex embossed cladding is eligible for a standard 20 year guarantee on white products and 10 years for colour products.

### Light and easy to install

PVC-U cladding panels are designed to make storing, handling and fitting quick and easy. With the weatherboard cladding weighing just 3.15kg per 5 metre board it is 4 times lighter than comparable fibre cement board.

### A+ rated

PVC cladding offers a sustainable solution. Fortex comes with significant environmental credentials with the Building Research Establishment's (BRE) 'Green Guide To Specification, giving PVC cladding an A+ rating when installed with standard components.

## Internal Panelling

Geopanel® is a range of PVC interior decorative wall and ceiling panelling which provides a 100% waterproof stylish, modern and convenient panelling system for bathrooms and kitchens. Providing a cost-effective and practical alternative to tiling. Wall panels available in three different widths - 250mm, 600mm and 1m and ceiling panels available in 200mm.

**GEO**<sup>®</sup>  
panel

### Easy to fit

- Panels fit together with a waterproof tongue-and-groove joint
- No drying time and grouting
- Fix over existing surfaces, including tiles
- No specialist training required
- Range of PVC and Aluminium trims

# Geo-panel® Wall and ceiling panels

**EDENEX®**  
next generation building products

## Decking

Edenex® is Freefoams range of low-maintenance decking products.

Edenex decking brings two wonderful materials - wood and PVC - together to produce a product that has the best features of both for today's outdoor living.

With the natural, warm feel of wood and all the best features of low maintenance PVC durability, low maintenance (treating not required), textured slip-resistant surface, splinter-free, will not split and resistance to insects.

Available in chocolate brown, pebble black and slate grey, and in a choice of two surface finishes.

System includes planks, support beams and a range of clips to ensure a neat and professional installation.

 **Registered  
Installer**

## Become a Freefoam Registered Installer TODAY!

There's never been a better time to get your business aligned to one of the major roofline brands. By becoming a Freefoam Registered Installer you will benefit from our excellent marketing and sales support package and be also be able to offer our industry leading 50 Year Extended Lifetime Guarantee.

**FREE TO JOIN FREEFOAM!**

**my freefoam**

### Reasons to become a freefoam registered installer

- Offer your customers total peace of mind with a 50 Year Extended Lifetime Guarantee on white roofline and rainwater products\*
- Stand out from the crowd. Only Freefoam Registered Installers can offer the Extended Guarantee
- Receive a FREE marketing and support package to help you close the deal.

**Dedicated website [www.myfreefoam.com](http://www.myfreefoam.com)**

**Free leads!**

- For roofline enquiries from [www.myrooflinematters.co.uk](http://www.myrooflinematters.co.uk)
- For cladding enquiries from [www.mycladding.com](http://www.mycladding.com)

# Two ways to register

## 1 Online

We know that everyone hates paperwork! That's why we've made it really quick and easy to become a Freefoam Registered Installer all at the touch of a button. We've built a dedicated website for all installers called My Freefoam.

### Go to [myfreefoam.com](http://myfreefoam.com)

- Complete the online form and add your company name
- We will verify you are buying Freefoam products on a regular basis
- Our Area Manager will authorise your account

### Once you're registered you will be able to:

1. Register installation work for the 50 year extended lifetime guarantee
2. Edit and update existing registrations
3. Order more marketing materials
4. Update your contact details

## 2 Complete the form

When you're next at your local Freefoam stockist hand in the completed form. They will handle the whole process for you and Freefoam will send you an email to confirm your registration.

## Freefoam, the Colour Specialist

**COLORMAX**<sup>™</sup>  
technology

Freefoam is the colour specialist manufacturing one of the most technologically advanced colour PVC-U and PVC-UE fascia and soffit ranges using the unique patented Colormax<sup>™</sup> technology.

### Here's the science!

Freefoam manufacture using the co-extrusion process. A strong PVC-UE foam 'core' is simultaneously co-extruded with a rigid PVC-U skin, creating a smooth strong and hard wearing surface.

### Colour Guaranteed

Available in a wide range of eight standard colours backed by an industry leading guarantee - up to 50 years on white products\* and 10 years on all other colours.

### Off the shelf

Critically for trade and commercial sectors Colormax<sup>™</sup> technology allows Freefoam to supply the majority of colour products straight from stock. With no minimum order quantities Freefoam make choosing colour an easy option.

\*see [www.myfreefoam.com](http://www.myfreefoam.com) for Terms and Conditions

SST

## Woodgrain

Freefoam work with world leading foil provider Renolit using the Exofol PVC film for all woodgrain products to provide a durable fade resistant product.

Manufactured with two layers, the colour pigments in the base film use Solar Shield Technology to protect the fascia, soffit and cladding against excessive heat build up and the upper transparent layer prevents against fading caused by UV radiation or other weathering effects.

This technology allows Freefoam to offer a ten year guarantee on all woodgrain products.

- Built in sun reflection
- Reduced heat absorption
- Reduced profile temperature and expansion

### Notes:

1. Colours shown are for availability identification only. Please see colour swatch or product samples for exact colour representations.
2. Please note that the nearest Ral numbers above are provided for reference purposes only and do not guarantee a precise match. It is recommended that actual Freefoam product samples be used for comparison purposes.
3. Please contact Freefoam or see our Technical & Specification Manual for nearest Pantone and NCS reference numbers.
4. A wider colour range is available for special projects and a colour matching service is available subject to lead-time and minimum order quantities.

Please note that a lead time may apply to some products listed in this catalogue
